Message from Our Minister

Rev. Pam Philips

As the church year ends, I'm grateful to be able to reflect on this month's worship theme – **Celebrating Blessings**. In the face of difficult and tragic news, it's good to remember all the goodness in our lives.

The month kicks off with our annual **Flower Service** -- a time for celebrating all the blessings of this congregation. Whether in person or on Zoom, everyone is invited to bring flowers (and send photos) to represent the gifts we give and receive from one another. We are blessed by those who create worship, who serve as greeters and coffee makers, who maintain our beautiful grounds, who lead small groups, who teach classes for young and old, and by all those who participate in all we do. A former member who has attended two UU congregations in their new home said that UUC was so much livelier than they were. I agree! We are blessed by our vibrant congregation!

This Sunday, we'll also have our annual **Congregational Meeting**, electing new members of the UUC Board and passing the Board-proposed budget. This is an occasion when we can celebrate the blessings of those members who answered the call to serve the congregation – retiring President Bob Stimson, Secretary Stephen Henninger (who has continued on the Board even after moving to Salt Lake City!), and Members-at-large Mindy & Paul Quigley and Brandie Lemmon, and continuing members Gene Gardner (stepping up to Secretary), Treasurer Wayne Neu, and soon-to-be President Nancy Bodenhorn. It has been such a privilege to work with these folks as we navigated all the challenges of COVID. I also celebrate those who will join the Board – President-elect Fred Piercy, at-large members Rami Steinruck, Laura Robinson, and Alyssa Short – and look forward to our work together. As we pass the budget, I'll also be celebrating the amazing generosity of this congregation (with late pledges bringing us up to \$332,622) and the hard work of the Stewardship Committee, headed by Carol Kern (who has agreed to serve again next year!). Then there's the amazing time had by all at the spring auction, organized by Molly McClintock and Irene Peterson, supported by everyone who participated by donating, bidding & buying, and bringing food to share. We are so blessed!

We'll have sundaes out in the picnic area after the annual meeting to celebrate the blessing of Lisa Evanylo, who will be retiring as our administrator after 27 years. The congregation has been so blessed by her steadfast service, institutional knowledge, and ability to learn and grow throughout this time. I cannot imagine what it would have been like to start my ministry at UUC without her reliability, patience, humor, and care. But we are blessed that she will continue as a valued member and that she will train our new Administrator, Ericka Kelly, through the month of June. Let us take this time to thank Lisa and welcome Ericka. This will also be the last month our fantastic LFD team – Sara Catlett, Brandie Lemmon, and Alyssa Short – will bless us with their hard work and creativity before handing off the program to the capable hands of our new DLFD, Rachel Craine. We are truly blessed!

In the month ahead, I invite us to look for, acknowledge, and celebrate the blessings in our lives, but also recognize the blessings we give. In the words of Rachel Naomi Remen, "We are all born to be a blessing." Know that **you** are a blessing to UUC.

With gratitude and love,
Rev. Pam

Message from Our Board

Bob Stimson, Board President

As the sun begins to set on my term as UUC President, I would like share and brag about many things which have been completed, initiated, and supported by this year's Board.

The initial event was the return of in-person events within UUC. Prior to August 29, the front of the building was prepped and painted. On August 29, the first dual-platform service was held. Before and after that date, so much effort was invested in preparing for and presenting each Sunday service. Our technology equipment and knowledge has grown to the point where Rev. Pam does not need to run frequently between the lectern and the AV room to correct a problem during a service. Such growth has taken place with the help of many, many volunteers.

Hiring replacements for our retiring Administrator and our vacant DLFD positions was accomplished with exciting results. Also, the idea of having a ministerial intern and thus making our UUC a teaching congregation, was accepted, encouraged, and included in the proposed budget. It will be a meaningful step for our congregation. The **Growth Through Service** program is in its infancy stage, with a bright and meaningful future.

The Board has created and implemented a process to update our Procedures and Policies which has been on the back burner for more than thirteen years. A successful **Outreach Summit** was held by the Board this spring to implement parts of our Strategic Plan. We inherited a balanced budget and leave with an anticipated, almost balanced budget.

Lastly, we continually dealt with ever-changing COVID-19 policies, making frequent decisions regarding when, where and how, humans and mask-wearing are OK at UUC. UGH. I hope those days are behind us. Please.

The entire Board, voting and non-voting members, did a superb job of holding to our covenant and focusing on our goals. Congratulations to all of us.

UUC Annual Congregational Meeting

Members are requested to attend our Annual Meeting on Sunday, **June 5** following the service (11:30 AM) in person, via Zoom using the service link or by proxy. (All members should have received an email about the meeting, but if not, contact [Lisa](#).) If you require a proxy, give written permission to a congregant who will be attending in person OR if your proxy will be attending via Zoom, send an [email to our Administrator](#) naming who will be your proxy. If you do not already have a proxy, email Lisa and request that another member serve as your proxy. No member may serve as proxy for more than ONE absent member. We will be voting on **new officers of the Board** (bios for new candidates can be found at this [link](#)) and our **2022-23 UUC budget** available at this [link](#) (email [Lisa](#) for password).

You can also check out the meeting webpage via this [link](#).

Upcoming Events and Community News

Lisa Is Retiring!

After the annual meeting on Sunday, **June 5**, please gather in the picnic area at UUC to recognize Lisa after her long stint (27+ years) as our Administrator. We'll have a special tasty treat but, more importantly, the opportunity to thank Lisa in person for her outstanding service. Please plan to attend.

UUC Piecemakers

The Piecemakers, a UUC quilting and fiber craft group that makes our paraments (those colorful pieces which cover the podium and the candle table) and quilts for any congregant in need of a tangible item of comfort welcomes newcomers of all skills. The group meets in Elarth on the 1st Thursday of each month (**June 2**) at 6:30 PM and the 3rd Saturday of the month (**June 18**) at 10 AM.

Our 2021-2022 fiscal year ends on **June 30**. Please be sure to get your final pledge payments in before that time and to turn in any receipts for reimbursement to Lisa. An email will be going out shortly reminding you of your current pledge and what is outstanding, if anything.

Hiking Group News: Forest Bathing at the Magic Tree Sanctuary in Floyd

Sunday, **June 26**, 10 AM. Inspired by the Japanese practice of shinrin-yoku, forest bathing is an evidence-based wellness practice gaining momentum around the world.

This outdoor event is free, but pre-registration is required. Space is limited to 10 people. For more information or to register, contact [Jae](#) or visit his [Experience Community page](#).

SOS – Grounds to UUC Community!

You may begin to notice some changes to the well-loved UUC grounds. Why? We simply do not have sufficient help to continue maintaining the grounds to the current conditions. Without others taking on some responsibilities, we'll begin to see shrubs and trees needing pruning, weeds taking over, outdoor meeting areas not up to snuff, and needed maintenance not getting done. Our current primary grounds workers are aging out (75-80+ years old) and/or burning out.

Susan Baker and Denise Martin will be departing from their co-chair responsibilities at the end of October. They'll be reducing their work time on the grounds which leaves voids that need to be filled. The most compelling need is finding and welcoming a chairperson for the Grounds Ministry. This is what the SOS is all about. The chairperson's responsibilities include:

- ◆ Having the big picture of the grounds (purpose, needs, the future); using the big picture for planning and guiding volunteers.
- ◆ Monitoring maintenance needs and seeing that the needs are met (use other volunteers).
- ◆ Recruiting volunteers to help with weeding, watering, spreading mulch and woodchips, putting in plant material.
- ◆ Scheduling UUC community work days and the VT Big Event to address seasonal tasks on the grounds.
- ◆ Being responsible for the grounds budget, annual report, and miscellaneous communications.
- ◆ Scheduling and conducting Grounds Ministry meetings as needed.

Here's a short list of tasks that are now waiting for volunteers to assume:

- ◆ Weed-whacking the 2 slopes on the edges of the large parking lots (3 hours every 2 months).
- ◆ Weeding and pruning the pond area and other plantings in the upper lawn (2-3 hours every two weeks).
- ◆ Maintaining the Meditation Path for fallen branches and weeds; weeding the mulched areas of the seven meditation benches (2 hours every other week).
- ◆ Completing assigned jobs on the grounds (handy-man/woman) (1-2 hours weekly).
- ◆ Cleaning and repainting the in-ground, white, way-finder bricks that serve as directional guides on the Meditation Path (spread task out over time).
- ◆ Pruning and weeding in assigned areas (1-2.5 hours every two weeks).

All the above tasks can be done at the convenience of the volunteer (during the week, in the evenings after work, weekends), but a commitment to the task needs to be made.

What do grounds volunteers get out of helping with the grounds? The biggest benefit is a win-win - get connected to the UUC community while also providing service to our beautiful grounds. Other benefits are working outdoors and observing nature up close; experiencing self-satisfaction from doing a job that makes the grounds a welcoming and better space for people, wildlife and flora; having priority to receive plant divisions from plant material needing dividing; and lastly, become a valued member of the grounds family.

You don't have to be a gardener to take on a task. Denise and Susan will provide mentoring. Please consider and follow through with an offer to assist with UUC grounds work. Without additional help, the grounds will experience negative outcomes. "Nothing is no maintenance." Contact [Susan Baker](#) to offer your help or for more info.

Ride Your Bike to UUC

Every 4th Sunday through September is **Bike Sunday**. Ride your bike to UUC, save gas, help the planet, get exercise, and be part of the biking movement.

Bike parking at UUC is available at the bike rack in the parking lot and by the Crescent Garden. Questions –contact [Susan Baker](#).

Round the Grounds by Susan Baker, co-chair

Do you know that UUC is a certified waystation for Monarch butterflies? The certification comes from the University of Kansas through its *Monarch Watch Program*. To qualify for certification, one must meet specified criteria with the primary one being to have a source of milkweed, the favored food source for the Monarch caterpillar. We have a variety of milkweeds growing on the grounds – swamp milkweed, wild milkweed, and butterfly weed. Most of the milkweed is found in our pollinator garden in the peacock meadow and in the small detention pond.

The latest Monarch-Watch Update provides very interesting information about the migration pattern of Monarchs. “During the spring and mid-summer migrations, there are powered directional flights with no gliding and soaring. Most flight is rapid at speeds of 10-12 mph at 4-10 meters above the ground. Nectaring occurs mostly in the morning and late afternoon. These migrations appear to advance at rates of 30-55 miles per day”. During the migration from Mexico to the North, there is egg laying along the way with development of the next generations of Monarchs. The new generations continue the northward migration. Pretty amazing!

The “COVID Troll” has two new garden art friends. Two large metal sculptures have been added and placed on the grounds thanks to an anonymous donor. The sculptures add visual interest and can generate discussion about their representations. Take a walk on the grounds to see if you can locate the sculptures and then suggest a name for each sculpture. Send your sculpture name suggestions to [Denise Martin](#).

This is the season for blooming irises. The diversity of colors is dazzling. We have many irises in the crescent garden and in the fringe tree garden. Interestingly, some of the irises were in the original crescent garden of 11 years ago, but most of the irises have been donated by congregants, UUC neighbors, and friends of friends. Now that is diversity inside diversity!

Correcting the two detention ponds for storm water control on the grounds has been time-consuming with a lot of hard labor. Joe Powers has dug, moved rocks, and reconstructed a crushed drain leading from the small detention pond to the primary detention pond. The small bio-detention pond required Joe to construct a taller berm to keep water from flowing into our neighbor's yard. Now the formerly bare soil is green with new grass and wildflowers to prevent erosion and assist with the absorption of water. Thank you Joe for your very hard work!

Community Conversations: **Abortion: For, Against, or Somewhere In Between** *Sunday, **June 19**, 11:30-1 PM in the UUC Library and via this [Zoom link](#).*

Abortion is seldom a topic that we speak about in casual conversation. More often we hear abortion talked about by news media, politicians or, more rarely, depicted in books, television shows, or movies. In pretty much any situation, abortion elicits an intense emotional response. In the U.S., the conversation on abortion generally centers on whether you are “for” or “against” it and very rarely explores personal narratives, what we believe about abortion as a decision, what the procedure entails, or how abortion affects an individual’s reproductive and mental health. Engaging in an honest and vulnerable conversation on abortion provides an opportunity to explore the depths of our beliefs about sex, life, death, agency, and parenting. It gets at the very root of what we care deeply for in life and opens the door to finding potential common ground. Please join [Rev. Jamie McReynolds](#) for this challenging conversation. Given the leaked draft opinion indicating that the Supreme Court will overturn *Roe vs. Wade*, how might this affect our lives and the lives of our loved ones?

Parents’ Covenant Group

Parents of young children are invited to join in the fun on Saturday, **June 4** from 5-8 PM in UUC’s picnic area (weather permitting) or Elarth Hall.

This is a monthly support group for UUC parents with younger kids (younger than teen). Enjoy a potluck dinner followed by playtime for kids and support group discussion for parents. We also have social gatherings throughout the year. If you’re wanting a friendly group of like-minded parents, contact [Deb Dickerson](#).

Unitarian Universalist Congregation Sunday Services June 2022

Services are now in person at UUC and virtual via [Zoom](#) at 10 AM.
We welcome you to join us.

June's Theme: Celebrating Blessings

Join our dual-platform service each Sunday at 10 AM -
both in person at UUC or via this [Zoom link](#).

June 5: *Celebrating the Blessings of Community*, Rev. Pam Philips and Worship Associates Gretchen Luke and Victoria Taylor. Participate in our Annual Multigenerational Flower service by bringing flowers to the sanctuary and [sending](#) in flower photographs to help create the beautiful bouquets that represent our vibrant congregation. We look forward to our whole community gathering, young and old together, whether in-person or virtually.

Members are asked to stay for the Annual Congregational Meeting following the service. (See page 2 for more information.)

June 12: *Beyond Blessing*, Rev. Pam Philips and Worship Associate Stephen Henninger. Acknowledging and celebrating our blessings can enrich our lives, but might it also make requirements of us? What comes after the celebration?

June 19: *The Blessings of Celebration*, Rev. Pam Philips and worship associate Ellen Plummer. Juneteenth marks the emancipation of enslaved African Americans in Texas in 1866, but it became a federal holiday only last year. What does it mean to celebrate, to commemorate holidays such as Juneteenth, for a predominantly white congregation?

June 26: *Growing with the Sun*, Kimberley Homer and KC Arceneaux. A celebration of the Solstice, neighbors, and blooming where you're planted. Join congregants Kimberley and KC as they share their experiences growing (and maybe crowing) with what they've got.

Our Mission

Inspire. Create. Transform.

Inspire spiritual and ethical growth. **Create** compassionate community.
Transform our community and the world through courageous love.

Our Vision

UUC will be a beacon of liberal religion in the New River Valley. We will join with other organizations and faiths to work for just causes.

We will practice generosity and radical hospitality. We will be known as a place of beauty, welcome, joy, and celebration.
