Welcome to Lifespan Faith Development at UUC

Unitarian Universalists believe that faith development is the lifelong journey of ethical and spiritual growth that each of us takes. UUC's goal is to provide support for our congregants' personal journeys from cradle to grave.

Beginning in the Nursery, our infants and toddlers learn that UUC is a safe and nurturing congregation. Paid caregivers provide careful supervision in a warm and welcoming environment.

At age 3, preschoolers move into the Children's Religious Education program, which provides age-appropriate religious education classes through grade 8. Our goal is to encourage each child's spiritual growth, a social conscience, and a personal UU identity. UUC does not tell a child what to believe; we support each child in the discovery of his/her own personal beliefs.

Middle school students can experience further bonding with each other by participation in Middle School Youth Group, which offers fun activities supervised by background-checked adult advisors. In grades 9-12, students may join YRUU, a youth-led high school youth group that meets weekly, with an emphasis on community building and service, leadership development, worship, fellowship, and social activities.

Adults have opportunities throughout the year to also participate in religious education classes. From Sunday morning discussion groups to classes that meet weekly or monthly, adults have the opportunity to explore their beliefs and deepen their faith.

And, we also offer other, specialized classes throughout the year, including the renowned Our Whole Lives sexuality education program.

We are here to help your family as you learn and explore. We know that each individual, child to adult, will have a unique religious journey, and we are here to support your travels!

~ Karen Hager, Director of Lifespan Faith Development

Children's Programs

Finding the right religious education program for your child can seem daunting to many parents. Often, parents are seeking a community of shared values, and a way to help children form their own religious beliefs.

The Children's Religious Education program at UUC includes classes on our Judeo-Christian heritage, other world religions, our Unitarian Universalist identity, and social action / justice. We do not teach children what to believe, but help them to discover and travel their own personal paths.

If you are wondering if your child should attend church at all, consider the words of a Unitarian minister from the nineteenth century, Minot Judson Savage:

Parents tell me continuously that they do not give their children any religious training, from the feeling that it is taking unfair advantage of the child. They say, "I propose to let my child grow up as far as possible unbiased." (But) if you do not bias (your children), the first one that (they) meet on the street, or in school, or among their companions, will begin the work of biasing, of the impression of education, for this is a continuous process. Whether you will it or not, it is something over which you have no choice. It is something that will be done wisely and well—or unwisely and ill.

Parents are the most important teachers, but if your values are the same as ours, we can help you with this part of your job.

While here, your child will learn that all big questions have many answers, and that they will need to search responsibly for their personal answers. We will help them in their search as they consider the big questions and discover that there are as many ideas about these questions as there are people.

Goals and Themes

The goals of the RE program are:

- To encourage spiritual growth
- To provide religious literacy
- To help children in the development of their own UU identity
- To encourage a social conscience

There are five themes that are reflected within the RE curriculum:

- Jewish/Christian heritage
- Religions of the world
- UU identity
- Social responsibility
- Concepts of God

Religious Education

Nursery care is offered for infants and toddlers who have not reached their third birthday by September 1st. Nursery involves play and storytelling in a warm, nurturing atmosphere. Our Nursery is supervised by experienced, paid caregivers.

Religious Education classes are offered for preschool through grade 8 students. See page 6 for a listing of current curricula.

Registration

Registration is required each fall for all children and youth age 0 through high school who will be participating in the LFD Program. There is no fee for classes and activities, but families registering are expected to contribute to UUC financially as they are able, and to volunteer with the LFD program. Register online at uucnr.org/education.htm.

Children's RE 2017-18 Curriculum

PreK (ages 3 & 4)

Chalice Children

Based on the premise that children learn best through experience, this program helps nurture spiritual growth, creativity and a sense of community through imaginative activities and rituals such as rhymes and fingerplays. Classes introduce children to concepts such as birth and death, dreams and the natural world.

Grades K-1

Picture Book World Religions

An introduction to Judaism, Christianity, Islam, Hinduism, and Buddhism is provided through a beautiful and engaging selection of picture books, allowing our children to explore the differences and similarities to their own lives.

With this first exposure to religions of the world, we allow our children to begin a journey of understanding, tolerance and celebration for the diversity of human expressions of faith.

Grades 2-3

Spirit of Adventure

This UU-identity curriculum is written for active children, using physical movement, challenge and adventure as teaching mechanisms. While engaging in activities like dissecting electronics, building cantilevered architecture using graham crackers, and singing Jingle Bells in "dog" language, our children will learn about other UUs - some famous and some in our own congregation - while finding their own UU identities .

Children's RE 2017-18 Curriculum

Grades 4-5

Holidays & Holy Days

Holidays are an age-old vehicle of religious socialization, setting time aside to remember a great person or event, give thanks for life's bounty, or to invoke light and gladness for overcoming darkness and danger, death and drought. Festivities tell a story which children absorb through experiences far more than through words. The class will learn about and celebrate holidays and holy days of world religions throughout the year.

Grades 6-7-8

Building Bridges

This world religions curriculum introduces middle school youth to the faith traditions and practices of other religious groups in their community. Through classroom discussion and reflection and visits to other churches, the program deepens a youth's understanding of the dynamic, fascinating and varied world in which they live, broadening their knowledge of humanity and emboldening their spiritual search.

Grade 8 (requires registration by 9/10/2017)

Coming of Age

Coming of Age is a special program that pairs 8th grade youth with an adult mentor in the congregation, to prepare for the transition from childhood to adulthood. As the class explores the Big Questions of life, this program emphasizes self-awareness and confidence-building, as well as service to our congregation and to the community, culminating in a spring affirmation ceremony. *Requires pre-registration and a commitment to attend all classes.*

Youth Programs

Middle School Youth Group

Open to youth in grades 6-8

Middle School Youth Group (MSYG) is the social component to our Middle School RE classes. The emphasis is on fun, with social activities and social action projects that encourage bonding among participants. Guidance is provided by adult volunteers.

Meetings are held on the third Friday of the month from 6:30-8:30 p.m., September through May. Meetings may be held at UUC or offsite. Past activities have included bowling, hiking, bonfires, and a visit to Sinkland Farms. MSYG may also participate in social action projects, as well as overnight lock-ins at the church.

High School Youth Group (YRUU)

Open to youth in grades 9-12

Our high school youth group, Young Religious Unitarian Universalists (YRUU), is a youth-led group that allows all to have fun while sharing spiritual interests, and serving others.

Meetings are held Sundays from 6:00-8:00 p.m. Once a month, youth and advisors have an OOCE (Out Of Church Experience) such as laser tag, bowling, tubing, hiking, or other fun activity.

YRUU also participates in service projects, lock-ins at the church, a special coffeehouse fundraiser, and often a regional youth convention(known as a "CON") held out of town. YRUU also leads two Sunday morning services each year.

Youth empowerment is an important goal of YRUU. Teens gain the ability and agency to make decisions and create change in their own lives and in the lives of other people.

Other Youth Programs

Teen Teacher Assistants

Open to youth in grades 9-12

Youth in grades 9-12 are invited to join a religious education teaching team as an assistant in the classroom. Youth are welcomed as team members and are a tremendous asset to the program, as the young children look up to them as role models. The teens gain leadership skills while remaining active in the life of the congregation.

Children's Offering

Our Children's Offering benefits the Interfaith Food Pantry. Donations of canned goods and cash will be accepted in class. All parents are encouraged to have their children participate.

Additional Information

Sunday Mornings

On most Sundays, children begin in the Sanctuary with parents for the first 15 minutes of the service. After "For All Ages", the children and their teachers leave for their classrooms. RE classes last approximately one hour. Parents should pick up their children immediately following the service.

Visitors

We welcome young guests in our RE classes on Sunday mornings. We ask that a Visitor's card be completed by the adult responsible for the child. To enroll in our RE program, please obtain a Registration Form from the DLFD or the RE Teacher.

Transitions

We know that it can be difficult for some children, particularly those who are younger, to feel comfortable in a new place. Parents are welcome to accompany their children to class for the first few visits to ease the transition to separation.

Attendance

We are here to help you educate your child, but we can't do our part if you don't do yours. It is important to be as consistent as possible in attendance, as familiarity is basic to a sense of belonging and ownership. A child's comfort level and relationship to the UUC community is dependent on their attendance.

Safety Policy

All teachers and advisors involved in ongoing work with minors are required to pass background and reference checks, per UUC policy. Two adult teachers will be present in each classroom during regular RE classes.

Other Children's Programs

Our Whole Lives

Our Whole Lives (OWL) is an age-appropriate sexuality education program, jointly developed by the Unitarian Universalist Association and the United Church of Christ.

OWL helps participants make informed and responsible decisions about their sexual health and behavior. It equips participants with accurate, age-appropriate information in six subject areas: human development, relationships, personal skills, sexual behavior, sexual health, and society and culture. Grounded in a holistic view of sexuality, OWL not only provides facts about anatomy and human development, but also helps participants clarify their values, build interpersonal skills, and understand the spiritual, emotional, and social aspects of sexuality.

UUC currently offers OWL classes for grades K-1, 4-5 and 8-9 on an alternating basis, as well as OWL for Adults,

UUC is fortunate to be offer this renowned sexuality education program to our congregants and we encourage you to enroll your child, if eligible.

Who is God?
Where did we come from?
Why does evil happen?
What happens when we die?

Every human being on earth has asked themselves these questions at some point, and most likely each person has found a different answer.

National Geographic's series, *The Story of God with Morgan Freeman*, takes viewers on a trip around the world, speaking with people of faith, exploring theological questions, and discovering what unites the world's religions.

Each class will focus on a single topic and include the viewing of a 40 minute episode, followed by discussion. Come learn how different religions view the answers to life's big questions.

No particular ideology is advanced in this series.

- *Beyond Death*—explore how different religions past and present explain what happens after we die
- *Apocalypse*—the prophecies of violent cataclysms and the strife of ages past, and making an attempt to determine how the world will end.
- *Who is God?* - the quest to discover who God is and how he, she or they have evolved over human history.
- *Creation*—exploring where we came from and what happened in the beginning.
- *Why Does Evil Exist?* - the attempt to understand the root of evil and how ideas of it evolved.
- *The Power of Miracles*—how our belief in miracles can shape our understanding of God.

Adult Programs

The Story of God, with Morgan Freeman invites congregants on an exploration of world religion through life's big questions. Here are some other ways you can learn more about the religions of the world.
