

## **Art Committee Report 2019**

The Art Committee continues in its effort to enhance the interior appeal of our building by displaying art work.

This past year we exhibited the works of four different artists, three months at a time for each one.

To date we have needed no monetary resources from the UUC to carry out our vision.

Our goal for 2019/2020 is to continue displaying art work.

Respectfully submitted,
