

LAY PASTORAL CARE MINISTRY

2018-2019

The Lay Pastoral Care Team is selected and trained by our Minister, Rev. Pam Philips. The mission is to support our minister in providing support to the Congregation during times of distress, both crisis and long-term. The process involves visits with members and friends as requested by them and at their times of availability.

The whole team wishes to express thanks to Frank DuPont, who was the Coordinator and Team Leader during part of this year.

The team for 2018-2019 consists of our Minister, Pam Philips; Co-Coordiators Jane Mahone and Jennifer Mercier; continuing members Dick Bauman, Dave Lievsay, Janet Sawyers, Chris Walter, Marilyn DuPont, Dan Kominsky, Carmen Papenfuss and Helen Renqvist.

Marilyn DuPont retired from the team as of June, 2019 and we have abundant appreciation for her sharing her gifts, especially her compassion for people coping with a pet loss.

Over the last year, the team met monthly for an hour for training and support. For the next year, we will be meeting every other month for a longer period of time which will allow us to have more time for training.

Respectfully submitted: Jennifer Mercier and Jane Mahone, Co-Coordiators
